

The NAACP Berkshires Juneteenth Committee invites you to participate in the **Juneteenth Celebration 2026!**

This year's event is Sunday, June 21, 12-6. PM at the Rosemary and Reverend Willard Durant Park at 10 John Street, Pittsfield, MA.

Also known as Black Independence Day, June 19, 1865 marked the official end of slavery in the United States. This free, family-friendly, inclusive event will include live music, dance performances, spoken word, a basketball exhibition, food, and celebration!

This year's celebration falls on Father's Day, and we are proud to honor all fathers with a complimentary lunch, sponsored by the NAACP Berkshires. Come celebrate two special occasions with us!

We encourage Black-owned businesses to be a part of this day. Restaurants, caterers, churches, and anyone who loves to cook. This is your opportunity to let the community experience the foods that represent your culture!

We also welcome other businesses and community-based organizations to apply as vendors. We ask that all vendors come with a genuine connection to the spirit of Juneteenth and a meaningful way to serve our community.

We look forward to celebrating our Independence Day with you!
